| <b>Description</b><br>La liste de contact doit pouvoir afficher l'etat de presence ainsi que le message de status du contact. Les informations affichees doivent etre a jour (coherente avec l'etat reel) donc elles doivent etre rafraichis en cas de changement |                                |                        |            |

### History
