

BEEM - Android XMPP - Bug #356

Status icon distorted when avatar is not square

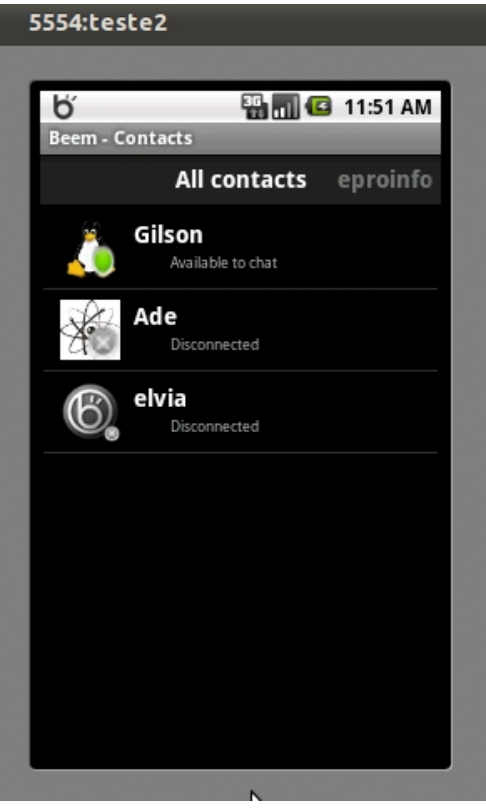

05/20/2011 05:11 PM - Murilo Ferraz Franco

Status:	New	Start date:	05/20/2011
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	User Interface	Estimated time:	0.00 hour
Target version:	0.2	Locale:	
Affected version:	hg		

**Description**

When the contact's avatar is in a rectangular form (not square, the width and the height are not the same), the status icon is beeing distorted.

It doesn't occurs in the android 2.3 version.

History

#1 - 05/20/2011 05:13 PM - Murilo Ferraz Franco

The emulator runs android 2.1

#2 - 05/20/2011 05:15 PM - Nikita Kozlov

I have the same bug with my 1.6 device.

#3 - 12/14/2011 07:53 PM - Nikita Kozlov

- Target version changed from 0.1.7 to 0.2
